

Remarks:

Claims 25-43, 83,85 and 88-140 are pending in the application. By this amendment claims 93 and 95 have been amended to depend directly or indirectly from claim 115.

Claims 83, 90 and 96-140 are allowed. Claims 93 and 95 stand rejected. However, claims 93 and 95 now depend from allowed claim 115, making them allowable for at least the same reason as claim 115 and overcoming the rejections to the claims. Therefore, only allowed or allowable claims are pending in the application.

No new matter has been added by the foregoing amendments, full support therefore being shown in the drawings and specification as filed. All claims remaining in the application are believed to now be in condition for allowance. Early notification of allowability is respectfully requested.

If there are any questions regarding this matter, please contact the undersigned attorney.

Respectfully submitted,

Ralph William MacKenzie et al.
